

CyrusOne Selected by Data Canopy to Expand Their Data Center Capabilities in the United States

August 26, 2019

Data Canopy brings hybrid infrastructure solution offering to Cincinnati, OH; Dallas, TX; and Raleigh, NC

DALLAS--(BUSINESS WIRE)--Aug. 26, 2019-- Global colocation solutions provider CyrusOne (NASDAQ: CONE) today announced an agreement with [Data Canopy](#) to expand their data center network to now include Cincinnati, Ohio; Dallas, Texas; Raleigh, North Carolina and Santa Clara, California upon its completion. Data Canopy is a hybrid infrastructure provider, reducing the cost and complexity of hybrid and multi-cloud environments by connecting, storing, and securing physical and virtual infrastructure.

"Partnering with Data Canopy allows us to provide access to enhanced services in our data centers that adhere to evolving industry and customer needs," Scott Hanna, VP East Region of CyrusOne. "This agreement broadens our partnership to provide local businesses with greater connectivity as well as custom cloud and storage capabilities at a national scale."

"Our partnership with CyrusOne enables us to deliver a stable and highly reliable infrastructure that is flexible and scalable enough to meet our partners' and clients' needs," said Ryan Barbera, CEO of Data Canopy. "The newly announced locations extend our colocation hosting as well as private and public cloud capabilities, enabling our partners to deliver the full breadth of Data Canopy's hybrid infrastructure solutions to each market."
