On November 2, 2017, CyrusOne Inc., a Maryland corporation (the “Company”), CyrusOne GP, a Maryland statutory trust, and CyrusOne LP, a Maryland limited partnership (the “Operating Partnership”), entered into sales agreements (each, a “2017 Sales Agreement”, and collectively, the “2017 Sales Agreements”) with each of Barclays Capital Inc., Deutsche Bank Securities Inc., Jefferies LLC, KeyBanc Capital Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Raymond James & Associates, Inc., Stifel, Nicolaus & Company, Incorporated and SunTrust Robinson Humphrey, Inc. (each, a “Sales Agent”, and collectively, the “Sales Agents”), pursuant to which the Company may issue and sell from time to time shares (the “Shares”) of its common stock, par value \$0.01 per share (the “Common Stock”), having an aggregate gross sales price of up to \$500,000,000 (the “Maximum Amount”), pursuant to the Company’s Registration Statement on Form S-3 (File No. 333-211114) filed with the Securities and Exchange Commission on May 4, 2016.

Subject to the terms and conditions of the 2017 Sales Agreements, the Sales Agents will use their commercially reasonable efforts, consistent with their normal trading and sales practices and applicable law and regulations, to sell, on the Company’s behalf, the Shares that may be offered by the Company from time to time under the 2017 Sales Agreements. The sales, if any, of the Shares made under the 2017 Sales Agreements will be made by means of ordinary brokers’ transactions on the NASDAQ Global Select Market or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or, subject to specific instructions of the Company, at negotiated prices. The compensation payable to each Sales Agent for sales of Shares will be a mutually agreed commission that will not exceed, but may be lower than, 2.0% of the gross sales price of the Shares sold by such Sales Agent pursuant to the applicable 2017 Sales Agreement.

Under the terms of the 2017 Sales Agreements, the Company may also sell Shares to any Sales Agent as principal for its own account. If the Company sells Shares to any Sales Agent as principal, it will enter into a separate terms agreement (each, a “Terms Agreement”, and collectively, the “Terms Agreements”) setting forth the terms of such transaction with the applicable Sales Agent.

The Company intends to contribute the net proceeds from any sales of Shares pursuant to the 2017 Sales Agreements, and the Terms Agreements, if any, to the Operating Partnership in exchange for an equivalent number of newly issued operating partnership units in accordance with the partnership agreement of the Operating Partnership. The Operating Partnership intends to use the proceeds contributed by the Company for general corporate purposes, which may include funding future acquisitions, investments or capital expenditures related to recently signed leases, and repaying outstanding indebtedness.

The Company or any Sales Agent may at any time suspend an offering of Shares pursuant to the terms of the applicable 2017 Sales Agreement. The offering of Shares pursuant to any 2017 Sales Agreement will terminate upon the earlier of (i) the issuance and sale of the Shares having an aggregate gross sales price equal to the Maximum Amount under the 2017 Sales Agreements and the Terms Agreements, if any, and (ii) with respect to a particular 2017 Sales Agreement, the termination of such 2017 Sales Agreement by the Company or by the applicable Sales Agent as permitted therein.

The above summary is qualified in its entirety by reference to the Form of 2017 Sales Agreement, which is filed as Exhibit 1.1 hereto and incorporated herein by reference.

The opinion of Venable LLP, relating to the validity of the Common Stock offered and sold pursuant to the 2017 Sales Agreements, is filed herewith as Exhibit 5.1.

The Sales Agents and their respective affiliates have in the past performed commercial banking, investment banking and advisory services for the Company from time to time for which they have received customary fees and reimbursement of expenses and may, from time to time, engage in transactions with and perform services for the Company in the ordinary course of their business for which they may receive customary fees and reimbursement of expenses.

ITEM 1.02 — Termination of a Material Definitive Agreement.

2. *Agreements to Sell and Purchase.*

(a) Subject to the terms and conditions set forth herein and in any applicable Terms Agreement, the Company agrees to issue and sell Shares through the Agent acting as sales agent or directly to the Agent acting as principal from time to time, and the Agent agrees to use its commercially reasonable efforts to sell the Shares when acting as sales agent for the Company. Sales of the Shares, if any, through the Agent acting as sales agent will be made by means of ordinary brokers’ transactions on NASDAQ or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or, subject to specific instructions of the Company, at negotiated prices.

(b) The Shares are to be sold on an agented basis, on any trading day (other than a day on which NASDAQ is scheduled to close prior to its regular weekday closing time) (each, a “**Trading Day**”) on which the Company has instructed the Agent to make such sales and the Company has satisfied or the Agent has waived the obligations specified in Sections 5 and 6(j) hereof. On any Trading Day, the Company may instruct the Agent by telephone (confirmed promptly by telecopy or email, which confirmation will be promptly acknowledged by the Agent) as to the maximum number of Shares to be sold by the Agent on such Trading Day and the minimum price per Share at which such Shares may be sold (“**Instruction Notice**”). The Instruction Notice shall originate from one of the individuals from the Company set forth on Schedule II, and shall be addressed to one of the individuals from the Agent set forth on Schedule II, as such Schedule II may

be amended from time to time by the Company or the Agent upon delivery to the other party of an amended Schedule II updating the individuals from such delivering party set forth on Schedule II. Subject to the terms and conditions specified herein, the Agent shall use its commercially reasonable efforts, consistent with its normal trading and sales practices and applicable law and regulations, to sell as sales agent all of the Shares so designated by the Company in accordance with such instruction. The Company and the Agent each acknowledge and agree that (A) there can be no assurance that the Agent will be successful in selling the Shares, (B) the Agent will incur no liability or obligation to the Company if it fails to sell Shares for any reason other than a failure by the Agent to use its commercially reasonable efforts, consistent with its normal trading and sales practices and applicable law and regulations, to sell such Shares as required by this Agreement and (C) the Agent shall be under no obligation to purchase Shares on a principal basis, except as otherwise specifically agreed by the Agent and the Company pursuant to a Terms Agreement. Only the Agent or one Alternative Agent will be instructed to sell Shares on a given day. In the event of a conflict between the terms of this Agreement and those of a Terms Agreement, the terms of such Terms Agreement shall control.

(c) The Company or the Agent may, upon notice to the other party hereto by telephone (confirmed promptly by telecopy or email, which confirmation will be promptly acknowledged by the receiving party), suspend the offering of the Shares with respect to which the Agent is acting as sales agent for any reason and at any time; provided, however, that such suspension shall not affect or impair the parties' respective obligations with respect to the Shares sold, or with respect to Shares that the Company has instructed the Agent to sell, hereunder prior to the giving of such notice. The Company and the Agent each agree that no such notice under this Section 2(c) shall be effective against the other unless it is made by one of the individuals on Schedule II of such party to one of the individuals of the other party named on Schedule II, as such Schedule II may be amended from time to time by the Company or the Agent upon delivery to the other party of an amended Schedule II updating the individuals from such delivering party set forth on Schedule II.

(d) Under no circumstances shall the aggregate gross sales price or number, as the case may be, of Shares sold pursuant to (i) this Agreement, (ii) all Alternative Sales Agreements, (iii) all Terms Agreements and (iv) all Alternative Terms Agreements, exceed (A) the Maximum Amount or the applicable Quarterly Maximum Amount (as defined in Section 6(i) hereof) or (B) the aggregate gross sales price or number, as the case may be, of Shares (1) available for issuance under the Prospectus and the then currently effective Registration Statement, (2) authorized from time to time to be issued and sold under this Agreement, all Alternative Sales Agreements, all Terms Agreements and all Alternative Terms Agreements by the Company's board of directors (the "**Board**") or an authorized committee thereof or (3) approved for listing on NASDAQ, and, in each case referred to in this clause (B), notified to the Agent in writing. In addition, under no circumstances shall any Shares with respect to which the Agent acts as sales agent or principal be sold at a price lower than the minimum price therefor, if any, authorized from time to time by the Board or an authorized committee thereof and

notified to the Agent in writing. The Agent shall have no responsibility for maintaining records with respect to Shares available for sale under the Registration Statement or for determining the aggregate gross sales price, number or minimum price of Shares duly authorized by the Company.

(e) If the Company or the Agent believe that the exemptive provisions set forth in Rule 101(c)(1) of Regulation M under the Exchange Act are not satisfied with respect to the Company or the Shares, such party shall promptly notify the other party, and sales of Shares under this Agreement and any Terms Agreement shall be suspended until that or other exemptive provisions have been satisfied in the judgment of each party.

(f)

(i) Notwithstanding any other provision of this Agreement, the Company shall not offer or sell, or request the offer or sale of, any Shares through the Agent as sales agent, and, by notice to the Agent given by telephone (confirmed promptly by telecopy or email), shall cancel any instructions for any such offer or sale of any Shares, and the Agent shall not be obligated to offer or sell any Shares, (A) during any period in which the Company is, in its reasonable opinion, in possession of material non-public information or (B) except as provided in Section 2(f)(ii) hereof, at any time during the period commencing on the 5th business day prior to the date (each, an “**Announcement Date**”) on which the Company shall issue a press release containing, or shall otherwise publicly announce, its earnings, revenues or similar results of operations (each, an “**Earnings Announcement**”) through and including the time that is 24 hours after the time that the Company files a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K that includes consolidated financial statements as of and for the same period or periods (each date of such a filing, a “**Company Periodic Report Date**”), as the case may be, covered by such Earnings Announcement (each time that any such document is filed, a “**Filing Time**,” and each such period, an “**Earnings Period**”).

(ii) Subject to the limitations set forth herein and as otherwise may be mutually agreed upon by the Company and the Agent, and notwithstanding clause (B) of Section 2(f)(i) hereof, if the Company wishes to offer or sell Shares through the Agent (as sales agent) at any time during an Earnings Period, the Company shall (i) prepare and deliver to the Agent (with a copy to counsel to the Agent) a Current Report on Form 8-K that shall include substantially the same financial and related information as was set forth in the relevant Earnings Announcement (other than any earnings projections, similar forward-looking data and officers’ quotations) (each, an “**Earnings 8-K**”), in form and substance reasonably satisfactory to the Agent, (ii) provide the Agent with the officers’ certificates, opinions of counsel and accountants’ letters called for by Sections 6(m), (n) and (o), respectively, hereof, (iii) afford the Agent the opportunity to conduct a reasonable due diligence review in accordance with Section 6(r) hereof prior to filing such Earnings 8-K and (iv) file such Earnings 8-K with the

Commission, then the provisions of Section 2(f)(i)(B) hereof shall not apply for the period from and after the time that the conditions set forth in clauses (i), (ii), (iii) and (iv) of this Section 2(f)(ii), as such conditions may be waived by the Agent or modified by mutual agreement of the Company and the Agent, have been satisfied (or, if later, the time that is 24 hours after the time that the relevant Earnings Announcement was first publicly released) through and including the time that is 24 hours after the corresponding Filing Time. For purposes of clarity, the parties hereto agree that (A) the delivery of any officers' certificates, opinions of counsel and accountants' letters pursuant to this Section 2(f)(ii) shall not relieve the Company from any of its obligations under this Agreement with respect to any Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as the case may be, including the obligation to deliver officers' certificates, opinions of counsel and accountants' letters as provided in Sections 6(m), (n) and (o), respectively, hereof and (B) this Section 2(f)(ii) shall in no way affect or limit the operation of clause (A) of Section 2(f)(i) hereof, which shall have independent application.

(g) Any obligation of the Agent to use its commercially reasonable efforts to sell the Shares on behalf of the Company as sales agent shall be subject to the continuing accuracy of the representations and warranties of the Company herein, to the performance by the Company of its obligations hereunder and to the continuing satisfaction of the additional conditions specified in Section 5 of this Agreement.

3. *Terms of Public Offering.*

(a) The gross sales price of any Shares sold pursuant to this Agreement by the Agent acting as sales agent of the Company shall be the market prices prevailing at the time of sale for shares of the Company's Common Stock sold by the Agent on NASDAQ or otherwise, at prices related to prevailing market price or at negotiated prices. The compensation payable to the Agent for sales of Shares shall be at a mutually agreed rate, not to exceed 2.0% of the gross sales price of the Shares sold by the Agent pursuant to this Agreement. The foregoing rate of compensation shall not apply when the Agent acts as principal pursuant to a Terms Agreement, in which case the Company may sell Shares to the Agent as principal at a price agreed upon at the relevant Applicable Time. The remaining proceeds, after further deduction for any transaction fees, transfer taxes or similar taxes or fees imposed by any Governmental Authority in respect of such sales, shall constitute the net proceeds to the Company for such Shares ("**Net Proceeds**"). The Agent shall notify the Company as promptly as practicable if any deduction referenced in the preceding sentence will be made. Notwithstanding the foregoing, in the event the Company engages the Agent as sales agent for a sale of Shares that would constitute a "distribution" within the meaning of Rule 100 of Regulation M under the Exchange Act, the Company and the Agent will use reasonable commercial efforts to agree to compensation that is customary for the Agent with respect to such transactions.

(b) The Agent shall provide written confirmation to the Company following the close of trading on NASDAQ on each Trading Day on which Shares are sold by the

Agent acting as sales agent under this Agreement. Such confirmation shall set forth the number of Shares sold on such day, the aggregate gross sales proceeds of the Shares, the aggregate Net Proceeds to the Company and the aggregate compensation payable by the Company to the Agent with respect to such sales.

4. *Payment and Delivery.*

Settlement for sales of the Shares pursuant to Section 2 will occur on the second business day that is also a Trading Day following the trade date on which such sales are made, unless another date shall be agreed to by the Company and the Agent (each such day, a “**Settlement Date**”). On each Settlement Date for the sale of Shares through the Agent as sales agent, such Shares shall be delivered by the Company to the Agent in book-entry form to the Agent’s account at The Depository Trust Company against payment by the Agent of the Net Proceeds from the sale of such Shares in immediately available funds by wire transfer delivered to an account designated by the Company. If the Company shall default on its obligation to deliver Shares on any Settlement Date, the Company shall (i) indemnify and hold the Agent harmless against any loss, claim or damage arising from or as a result of such default by the Company and (ii) pay the Agent any commission to which it would otherwise be entitled absent such default. The applicable Net Proceeds on any Settlement Date shall always be delivered substantially simultaneously with the Shares delivered by the Company.

5. *Conditions to the Agent’s Obligations.* The obligations of the Agent to purchase and pay for the Shares that the Company has instructed the Agent to sell hereunder and under any Terms Agreement, are subject to (i) the accuracy of the representations and warranties of the Company, the General Partner and the Operating Partnership contained herein (A) as of each Representation Date, (B) as of each Recommendation Date, (C) as of each Applicable Time, (D) as of each Settlement Date and (E) as of the date such instructions are given to the Agent or the date of such Terms Agreement, as the case may be, (ii) the performance in all material respects by the Company, the General Partner and the Operating Partnership of their covenants and other obligations hereunder and (iii) the following further conditions:

- (a) Subsequent to the execution and delivery of this Agreement:
 - (i) There shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible downgrading, in the rating accorded any of the securities of the Company or any of the Subsidiaries by any “nationally recognized statistical rating organization,” as such term is defined in Section 3(a)(62) of the Exchange Act; and
 - (ii) There shall not have occurred any change, or any development involving a prospective change, in the condition, financial or otherwise, or in the earnings, business or operations of the Company and the Subsidiaries, taken as a whole, from that set forth in the Time of Sale Prospectus that, in your judgment, is material and adverse and that makes it, in your

judgment, impracticable to market the Shares on the terms and in the manner contemplated in the Time of Sale Prospectus.

- (b) The Agent shall have received on each date and within each time period specified in Section 6(m) hereof a certificate, dated such applicable date and signed by an executive officer of the Company on its own behalf and as General Partner of the Operating Partnership, to the effect set forth in Section 5(a) above and to the effect that the representations and warranties of the Company, the General Partner and the Operating Partnership contained in this Agreement that are qualified by materiality are true and correct as of such applicable date and those not so qualified are true and correct in all material respects as of such applicable date and that the Company, the General Partner and the Operating Partnership have complied in all material respects with all of the agreements and satisfied all of the conditions on their respective parts to be performed or satisfied hereunder on or before such applicable date. The officer signing and delivering such certificate may rely upon the best of his or her knowledge as to proceedings threatened.
- (c) The Agent shall have received on each date and within each time period specified in Section 6(n) hereof an opinion and 10b-5 letter of the outside counsel for the Company, dated such applicable date, with respect to the matters identified in Exhibit A hereto.
- (d) The Agent shall have received on each date and within each time period specified in Section 6(n) hereof an opinion of the outside counsel for the Agent, dated such applicable date, covering such matters as the Agent may reasonably request.
- (e) The Agent shall have received on each date and within each time period specified in Section 6(n) hereof an opinion of the Maryland counsel for the Company, dated such applicable date, with respect to the matters identified in Exhibit B hereto.
- (f) The Agent shall have received on each date and within each time period specified in Section 6(n) hereof an opinion of the special tax counsel for the Company, dated such applicable date, with respect to the matters identified in Exhibit C hereto.
- (g) The Agent shall have received on each date and within each time period specified in Section 6(n) hereof a certificate of the General Counsel of the Company, dated such applicable date, with respect to the matters identified in Exhibit D hereto.
- (h) The Agent shall have received, on each date and within each time period specified in Section 6(o) hereof, a letter dated such applicable date, in form and substance reasonably satisfactory to the Agent, from Deloitte &

Touche LLP, an Independent Registered Public Accounting Firm, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements of the Company and its Subsidiaries and certain financial information with respect to the Company and its Subsidiaries contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus; provided that the letter delivered on the Settlement Date pursuant to any Terms Agreement shall use a "cut-off date" not earlier than the date of such Terms Agreement.

- (i) Upon commencement of the offering of Shares under this Agreement and promptly following the authorization of a Quarterly Maximum Amount by the Board subject to Section 6(i)(i) hereof, the Company shall furnish or cause to be furnished promptly to the Agent a certificate of an executive officer of the Company, dated such date, in a form reasonably satisfactory to the Agent stating the minimum sales price per share, if any, for the sale of such Shares pursuant to this Agreement and the maximum aggregate offering price, including the applicable Quarterly Maximum Amount, that may be issued and sold pursuant to this Agreement, as authorized from time to time by the Board or an authorized committee thereof, and the number of Shares that have been approved for listing subject to official notice of issuance, on NASDAQ. For the avoidance of doubt, the obligations of the Company under this Section 5(i) shall be suspended during any Suspension Period.
- (j) The Agent shall have received, on each date and within each time period specified in Section 6(o) hereof, a letter dated such date, in form and substance reasonably satisfactory to the Agent, from EisnerAmper LLP, independent auditors, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements of the Sentinel Entities and certain financial information with respect to the Sentinel Entities contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus, using a "cut-off date" not earlier than the date of this Agreement; provided, however, that the condition set forth in this Section 5(j) shall not apply if the financial statements of the Sentinel Entities are no longer required to be contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus under Applicable Law.
- (k) The Shares shall have been approved for listing on NASDAQ, subject only to official notice of issuance.
- (l) The Company shall have paid the required Commission filing fees relating to the Shares as specified in Section 6(k).
- (m) The Agent shall have received, on each date and within each time period specified in Section 6(n) hereof, from the Chief Financial Officer of the

Company, a certificate dated such date, in form and substance reasonably satisfactory to the Representatives (substantially in the form of Exhibit F hereto), with respect to certain financial information of the Sentinel Entities contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus, providing “management comfort” with respect to such information; provided, however, that the condition set forth in this Section 5(m) shall not apply if financial information of the Sentinel Entities during the period January 1, 2017 to February 28, 2017 is no longer incorporated into the Registration Statement, the Time of Sale Prospectus and the Prospectus.

6. *Covenants of the Company.* The Company covenants with the Agent as follows:
- (a) To furnish to you, without charge, a signed copy of the Registration Statement (without exhibits thereto), as many copies of the Time of Sale Prospectus, the Prospectus and any supplements and amendments thereto or to the Registration Statement as you may reasonably request.
 - (b) Prior to the completion of the transactions contemplated by this Agreement and all Terms Agreements or the termination of this Agreement and all Terms Agreements, before amending or supplementing the Registration Statement, the Time of Sale Prospectus or the Prospectus (other than any Current Report on Form 8-K and any exhibits thereto), to furnish to you a copy of each such proposed amendment or supplement and not to file or use any such proposed amendment or supplement to which you reasonably object promptly after receipt thereof, and to file with the Commission in the manner and within the applicable period specified in Rule 424(b) under the Securities Act any prospectus required to be filed pursuant to such Rule. In connection with any Terms Agreement, the Company will prepare and file with the Commission, subject to Section 6(f) hereof and as required by Applicable Law, a pricing supplement with respect to the offer and sale of Shares covered by such Terms Agreement.
 - (c) To furnish to you a copy of each proposed free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Company and not to use or refer to any proposed free writing prospectus to which you reasonably object, in each case with respect to the Shares being issued and sold hereunder. If at any time following issuance of an issuer free writing prospectus with respect to the Shares any event shall occur or condition shall exist as a result of which such issuer free writing prospectus conflicted or would conflict with the information contained in the Registration Statement or the Prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that subsequent time, not misleading, the

Company will promptly notify the Agent and will promptly amend or supplement, at its own expense, such issuer free writing prospectus to eliminate or correct such conflict, untrue statement or omission.

- (d) Not to take any action that would result in you or the Company being required to file with the Commission pursuant to Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of the Agent that the Agent otherwise would not have been required to file thereunder, but for the action of the Company.
- (e) *[Intentionally omitted.]*
- (f) The Company will comply in all respects with the Securities Act and the Exchange Act, including the rules and regulations thereunder, so as to permit the completion of sales of Shares as contemplated in this Agreement and any Terms Agreement and in the Registration Statement, the Time of Sale Prospectus and the Prospectus. If, during such period after the first date of the public offering of the Shares, in the opinion of counsel for the Agent or the Company, any event shall occur or condition exist as a result of which it is necessary to (i) amend the Registration Statement in order that the Registration Statement will not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) amend or supplement the Time of Sale Prospectus or the Prospectus in order that Time of Sale Prospectus or the Prospectus, as the case may be, will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading, in the light of the circumstances existing at the time such Time of Sale Prospectus or Prospectus, as applicable, is delivered to a purchaser, (iii) amend or supplement the Registration Statement, Time of Sale Prospectus or Prospectus to comply with applicable law (including, without limitation, the Securities Act and Exchange Act) or (iv) supplement the Time of Sale Prospectus or Prospectus with a pricing supplement disclosing the offer and sale of Shares covered by a Terms Agreement, the Company will promptly (A) give the Agent written notice of such event or condition, (B) prepare any amendment or supplement as may be necessary to correct such statement or omission, to comply with such requirements or disclose such offer and sale of Shares covered by a Terms Agreement and furnish the Agent with copies of any such amendment or supplement a reasonable amount of time prior to such proposed filing and (C) file with the Commission any such amendment or supplement and use its commercially reasonable efforts to have any amendment to the Registration Statement declared effective by the Commission as soon as possible if the Company is no longer eligible to file an automatic shelf registration statement; provided, however, that the Company shall not file or use any such

amendment or supplement to which the Agent shall reasonably object promptly after receipt of such amendment or supplement.

- (g) To endeavor to qualify the Shares for offer and sale under the securities or Blue Sky laws of such jurisdictions as you shall reasonably request.
- (h) The Company will timely file such reports pursuant to the Exchange Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Agent the benefits contemplated by, the last paragraph of Section 11(a) of the Securities Act.
- (i)
 - (i) Subject to Section 6(q) hereof, to convene the Board no fewer than one time per fiscal quarter, commencing with the quarter beginning October 1, 2017, to authorize the maximum aggregate offering price of shares (as amended by a subsequent authorization of the Board, the “**Quarterly Maximum Amount**”) to be issued and sold, in the aggregate, under this Agreement, any Alternative Sales Agreement, any Terms Agreement and any Alternative Terms Agreement, for the period commencing on the date of such meeting through the earlier of (A) the date of the next regularly scheduled quarterly meeting of the Board or (B) the next date that a Quarterly Maximum Amount is authorized.
 - (ii) To not instruct the Agent or any Alternative Agent to make any sales of Shares that would exceed the applicable Quarterly Maximum Amount.
- (j) Whether or not the transactions contemplated in this Agreement or in any Terms Agreement are consummated or this Agreement or all Terms Agreements are terminated (other than a termination by the Agent where all of the conditions set forth in Section 5 hereof have been satisfied; provided that the foregoing limitation shall not apply to any termination by the Agent pursuant to Section 10 hereof and that under no circumstances shall the Agent be required to reimburse the Company for any of the Company’s costs or expenses), to pay or cause to be paid all expenses incident to the performance of its obligations under this Agreement and any Terms Agreement, including: (i) the fees, disbursements and expenses of the Company’s counsel and the Company’s accountants in connection with the registration and delivery of the Shares under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, including all printing costs associated therewith, and the mailing and delivering of copies thereof to the Agent and dealers, in the quantities hereinabove

specified, (ii) all costs and expenses related to the transfer and delivery of the Shares to the Agent, including any transfer or other taxes payable thereon, (iii) the cost of printing or producing any Blue Sky or Legal Investment memorandum in connection with the offer and sale of the Shares under state securities laws and all expenses in connection with the qualification of the Shares for offer and sale under state securities laws as provided in Section 6(g) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Agent in connection with such qualification and in connection with the Blue Sky or Legal Investment memorandum, (iv) all filing fees and the reasonable fees and disbursements of counsel to the Agent (in an amount not to exceed \$10,000) incurred in connection with the review and qualification of the offering of the Shares by FINRA, (v) the cost of printing certificates representing the Shares, (vi) the costs and charges of any transfer agent, registrar or depository, (vii) the document production charges and expenses associated with printing this Agreement and any Terms Agreement and (viii) all other costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. It is understood, however, that except as provided in Section 8 entitled "Indemnity and Contribution" below, the Agent will pay all of their costs and expenses, including fees and disbursements of their counsel, stock transfer taxes payable on resale of any of the Shares by them and any advertising expenses connected with any offers they may make.

- (k) The Company shall promptly notify the Agent (i) when any post-effective amendment to the Registration Statement or any new registration statement relating to the Shares shall become effective or any amendment or supplement to the Prospectus shall have been filed (other than an amendment or supplement providing solely for the determination of the terms of an offering of securities, unless such offering is reasonably related to an offering of Common Stock), (ii) after it receives notice thereof, of comments or any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus, or for additional information and (iii) after it receives notice thereof, of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto or any notice of objection to the use of the Registration Statement pursuant to Rule 401(g)(2) of the Securities Act or of the issuance of any order preventing or suspending the use of the Prospectus or any other prospectus in respect of the Shares (or any amendment or supplement thereto), or of the suspension of the qualification of any Shares for offering or sale in any jurisdiction, or of the institution or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(d) or 8(e) of the Securities Act

concerning the Registration Statement or pursuant to Section 8A of the Securities Act. If the Commission should issue a stop order suspending the effectiveness of the Registration Statement, the Company will use its commercially reasonable efforts to obtain the withdrawal of such order. In the event of any issuance of a notice of objection by the Commission, the Company shall promptly take such reasonable steps as may be necessary to permit offers and sales of the Shares by the Agent as contemplated herein and in any Terms Agreement, which may include amending the Registration Statement or filing a new registration statement and paying any associated filing fees. The Company shall pay the required Commission filing fees relating to the Shares prior to the time the initial Prospectus Supplement is filed with the Commission or the time any subsequent Prospectus Supplement that increases the gross offering price or number of Shares that may offered and sold under this Agreement from that referenced in the immediately preceding Prospectus Supplement filed with the Commission.

- (l) The Company shall disclose (i) in each Annual Report on Form 10-K or Quarterly Report on Form 10-Q filed by the Company in respect of any quarter (which, in the case of an Annual Report on Form 10-K, would include the information for the last quarterly period of the fiscal year) in which sales of Shares were made by or through the Agent or any Alternative Agent under this Agreement or any Alternative Sales Agreement or (ii) in a prospectus supplement for such quarterly period filed by the Company with the Commission related to the sale of Shares in such quarter, the number of Shares sold by or through the Agent or any Alternative Agent under this Agreement or any Alternative Sales Agreement, the Net Proceeds received by the Company and the compensation paid by the Company to the Agent or any Alternative Agent with respect to such sales of Shares during the relevant period.
- (m) (A) Upon commencement of the offering of Shares under this Agreement, (B) each time Shares are delivered to the Agent as principal pursuant to a Terms Agreement on a Settlement Date, (C) promptly after (i) each date the Registration Statement or the Prospectus shall be amended or supplemented, as applicable, or a new registration statement relating to the Shares shall become effective (other than (1) by an amendment or supplement providing solely for the determination of the terms of securities, including the Shares, (2) in connection with the filing of a prospectus supplement that contains solely the information set forth in Section 6(l)(ii) hereof or relates solely to the offering of securities other than Common Stock or (3) in connection with the filing of any Current Report on Form 8-K (other than any Current Report on Form 8-K which the Company files under the Exchange Act and which contains capsule financial information, financial statements or supporting schedules including any Current Report on 8-K under Item 2.02 of such form that is

considered “filed” under the Exchange Act)) (each such date, a “**Registration Statement Amendment Date**”), (ii) each Company Periodic Report Date, (iii) in the event the Company wishes to offer or sell Shares through the Agent during an Earnings Period, the date on which an Earnings 8-K is filed with the Commission pursuant to Section 2(f)(ii) hereof (a “**Company Earnings Report Date**”), (iv) each reasonable request by the Agent (the date of such request, a “**Request Date**”), and (v) to the extent not duplicative of clause (D) of this Section 6(m), on each Suspension Rescission Date (as defined in Section 6(q)) (each Registration Statement Amendment Date, Company Periodic Report Date, Company Earnings Report Date, Request Date and Suspension Rescission Date, shall hereinafter be referred to as a “**Representation Date**”) and (D) the date of each recommencement of sales after a Suspension Period in accordance with Section 6(q)(i) hereof or of any Alternative Sales Agreement (a “**Recommencement Date**”), the Company will furnish or cause to be furnished to the Agent (with a copy to counsel to the Agent) a certificate, dated the date of delivery thereof to the Agent, in form and substance reasonably satisfactory to the Agent and its counsel, of the same tenor as the certificates referred to in Section 5(b) hereof, but modified as necessary to relate to the Registration Statement, the Prospectus and the Time of Sale Prospectus as amended and supplemented to the date of such certificate. The obligations of the Company under this Section 6(m) shall be suspended during any Suspension Period. As used in clause (C) of this Section 6(m), “promptly” shall be deemed to be a period within ten (10) business days after such Representation Date; provided, however, to the extent there shall be a sale of Shares on or following such Representation Date, “promptly” shall be deemed to be at or prior to the Applicable Time for such sale.

- (n) (A) Upon commencement of the offering of Shares under this Agreement, (B) each time Shares are delivered to the Agent as principal pursuant to a Terms Agreement on a Settlement Date, (C) promptly after each Representation Date and (D) on each Recommencement Date, the Company will furnish or cause to be furnished to the Agent the written opinions and/or letters of counsel to the Agent, outside counsel to the Company, Maryland counsel to the Company and special tax counsel to the Company, the certificate of the General Counsel of the Company, and the certificate of the Chief Financial Officer of the Company, dated the date of delivery thereof to the Agent, in form and substance reasonably satisfactory to the Agent and its counsel and of the same tenor as the opinions, letters and/or certificates referred to in Sections 5(c), (d), (e), (f), (g) and (m) hereof but modified as necessary to relate to the Registration Statement, the Time of Sale Prospectus and the Prospectus as amended and supplemented to the date of such opinion, letter and/or certificate or, in lieu of any such opinion, letter and/or certificate, counsel or officer last furnishing such opinion, letter and/or certificate to the Agent shall furnish

to the Agent (with a copy to counsel for the Agent) with a letter substantially to the effect that the Agent may rely on such counsel's or officer's last opinion, letter and/or certificate to the same extent as though it were dated the date of such letter authorizing reliance (except that statements in such last opinion, letter and/or certificate shall be deemed to relate to the Registration Statement, the Time of Sale Prospectus and the Prospectus as amended and supplemented to the date of such letter authorizing reliance). The obligations of the Company under this Section 6(n) shall be suspended during any Suspension Period. For the avoidance of doubt, the covenant set forth in this Section 6(n) relating to the Chief Financial Officer of the Company shall not apply if financial information of the Sentinel Entities during the period January 1, 2017 to February 28, 2017 is no longer incorporated into the Registration Statement, the Time of Sale Prospectus and the Prospectus. As used in clause (C) of this Section 6(n), "promptly" shall be deemed to be a period within ten (10) business days after such Representation Date; provided, however, to the extent there shall be a sale of Shares on or following such Representation Date, "promptly" shall be deemed to be at or prior to the Applicable Time for such sale.

- (o) (A) Upon commencement of the offering of Shares under this Agreement, (B) each time Shares are delivered to the Agent as principal pursuant to a Terms Agreement on a Settlement Date, (C) promptly after each Representation Date and (D) on each Recommendation Date, the Company will cause Deloitte & Touche LLP (or any successor independent accountants to the Company) and EisnerAmper LLP to each furnish to the Agent a letter, dated the date of delivery thereof to the Agent, in form and substance reasonably satisfactory to the Agent and its counsel, of the same tenor as the letter referred to in Section 5(h) (with respect to the letter to be delivered by Deloitte & Touche LLP or any successor independent accountants to the Company) or Section 5(j) (with respect to the letter to be delivered by EisnerAmper LLP) hereof, as applicable, but modified as necessary to relate to the Registration Statement, the Time of Sale Prospectus and the Prospectus as amended and supplemented, or to the documents incorporated by reference into the Prospectus, to the date of such letter, or, in lieu of any such letter, independent accountants last furnishing such letter to the Agent shall furnish the Agent with a letter substantially to the effect that the Agent may rely on such independent accountant's last letter to the same extent as though each were dated the date of such letter authorizing reliance (except that statements in such last letter shall be deemed to relate to the Registration Statement, the Time of Sale Prospectus and the Prospectus as amended and supplemented to the date of such letter authorizing reliance). The obligations of the Company under this Section 6(o) shall be suspended during any Suspension Period. For purposes of clarity, the parties hereto acknowledge and agree that EisnerAmper LLP is not the

Company's independent accountants and the Company is not obligated to cause EisnerAmper LLP to take any action other than in accordance with Section 5(j) and this Section 6(o) hereof. For the avoidance of doubt, the covenant set forth in this Section 6(o) related to EisnerAmper LLP shall not apply if the financial statements of the Sentinel Entities are no longer required to be contained in the Registration Statement, the Time of Sale Prospectus and the Prospectus under Applicable Law. As used in clause (C) of this Section 6(o), "promptly" shall be deemed to be a period within ten (10) business days after such Representation Date; provided, however, to the extent there shall be a sale of Shares on or following such Representation Date, "promptly" shall be deemed to be at or prior to the Applicable Time for such sale.

- (p) (i) If, immediately prior to the third anniversary ("**Renewal Deadline**") of the initial effective date of the Registration Statement, this Agreement is still in effect or any Shares purchased by the Agent as principal pursuant to a Terms Agreement remain unsold, the Company will, prior to the Renewal Deadline, file, if it has not already done so and is eligible to do so, a new automatic shelf registration statement relating to the Shares, in a form and substance reasonably satisfactory to the Agent. If the Company is no longer eligible to file an automatic shelf registration statement, the Company will, prior to the Renewal Deadline, if it has not already done so, file a new shelf registration statement relating to the Shares, in a form reasonably satisfactory to the Agent, and will use its commercially reasonable efforts to cause such registration statement to be declared effective within 120 days after the Renewal Deadline.
- (ii) The Company will take all other action reasonably necessary or appropriate to permit the offering and sale of the Shares to continue as contemplated herein or in any Terms Agreement. If, at any time, during the term of this Agreement or otherwise when Shares purchased by the Agent as principal remain unsold, the Company receives a notice from the Commission pursuant to Rule 401(g)(2) of the Securities Act or otherwise ceases to be eligible to use the automatic shelf registration statement form, the Company will (i) promptly notify the Agent, (ii) promptly file a new shelf registration statement or post-effective amendment on the proper form relating to such Shares, in form and substance satisfactory to the Agent, (iii) use its reasonable efforts to cause such new shelf registration statement or post-effective amendment to be declared effective as soon as practicable and (iv) promptly notify the Agent of such effectiveness. The Company will take all other action necessary or appropriate to permit the offering and sale of the Shares to continue as contemplated in the Registration Statement that was the subject of the Rule 401(g)(2) notice or for which the Company has otherwise become ineligible. The obligations of the Company under this Section 6(p)(ii) shall be suspended during any Suspension Period.

References herein to the “Registration Statement” shall include any such new shelf registration statement.

- (q) Subject to Section 2(c) hereof, the Company may notify the Agent by telephone (confirmed promptly by telecopy or email) or by such other method as the Company and the Agent shall mutually agree, that it does not intend to sell Shares under this Agreement for the period commencing on such date and continuing until the earlier of (i) the date the Company instructs the Agent to sell Shares under this Agreement or (ii) the date on which the Company instructs the Agent that it is revoking its prior notice to the Agent that it does not intend to sell Shares pursuant to this Agreement (such period, a “**Suspension Period**” and, the date referenced to in clause (ii) of this Section 6(q), a “**Suspension Rescission Date**”). During any such Suspension Period, the Company’s obligations to convene the Board to authorize a Quarterly Maximum Amount pursuant to Section 6(i)(i) hereof and to provide certificates, legal opinions and letters from independent accountants pursuant to Sections 5(i), 6(m), 6(n) or 6(o) hereof shall be automatically suspended and waived.
- (r) The Company will cooperate reasonably promptly with any reasonable due diligence review conducted by the Agent or counsel for the Agent in connection with the offer and sale of Shares contemplated herein or in any Terms Agreement, including upon reasonable notice, providing such information and making available such documents and appropriate corporate officers, during regular business hours and at the Company’s principal offices, as the Agent may reasonably request.
- (s) The Company will use its reasonable best efforts to effect and maintain the listing of the Shares on, and satisfy the requirements of, NASDAQ.
- (t) The Company agrees that neither it nor any affiliate of the Company will take, directly or indirectly, any action which is designed, or would be expected, to cause or result in, or which constitutes, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any Shares or to result in a violation of Regulation M under the Exchange Act.
- (u) If, to the knowledge of the Company, any filing required by Rule 424 of the Securities Act in connection with an offering of Shares shall not have been made or the representations and warranties of the Company contained in this Agreement shall not be true and correct on the applicable Settlement Date, the Company shall offer to any person who has agreed to purchase Shares from or through the Agent, the right to refuse to purchase and pay for such Shares; provided that the Agent shall have provided the Company with the identity of any such persons who have agreed to purchase such Shares.

Except during a Suspension Period, during the period beginning on and including the third business day immediately prior to the date on which the Company has instructed the Agent to make sales of Shares under this Agreement through and including the first business day immediately following the related Settlement Date, unless the Company gives the Agent at least three (3) business days' prior written notice specifying the nature of the proposed transaction and the date of such proposed transaction, the Company will not, without the prior written consent of the Agent: (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Common Stock, whether any such swap or transaction described in clause (i) or (ii) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise or (iii) file any registration statement with the Commission relating to the offering of any shares of Common Stock or any securities convertible into or exercisable or exchangeable for Common Stock (other than a universal shelf registration statement that will be automatically effective upon filing with the Commission, a post-effective amendment to the Registration Statement or any Registration Statement or amendment or supplement thereto to register the offer and sale of Shares pursuant to this Agreement, any Alternative Sales Agreement, any Terms Agreement or any Alternative Terms Agreement, as applicable). The foregoing sentence shall not apply to (a) the Shares to be offered and sold pursuant to this Agreement, any Alternative Sales Agreement, any Terms Agreement or any Alternative Terms Agreement, (b) the issuance by the Company of shares of Common Stock upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof of which the Agent have been advised in writing, (c) the transfer of shares of the Company's stock by operation of the provisions of Article VII of the Company's charter, (d) the issuance of shares of Common Stock, the grant of rights to acquire shares of Common Stock, the reservation of shares of Common Stock for issuance, or the filing of a registration statement on Form S-8 relating to the offering of shares of Common Stock, in each case, pursuant to any of the Company's stock incentive, compensation, employee stock purchase or similar employee benefit plans described in the Registration Statement and the Time of Sale Prospectus or (e) the entry into an agreement providing for the issuance by the Company of shares of Common Stock (or any security convertible into or exercisable for shares of Common Stock) in connection with strategic investments (including joint ventures) or the acquisition by the Company or any of the Subsidiaries of the securities, business, property or other assets of another person or entity and the issuance of any such shares or securities pursuant to any such agreement; provided that the aggregate number of shares of Common Stock (or any securities convertible into or exercisable or exchangeable for Common Stock) that the Company may sell or issue or agree to sell or issue pursuant to clause (e) shall not exceed 10% of the total number of shares of the Company's Common Stock issued and outstanding immediately following the completion of the transactions contemplated by this Agreement, any Alternative Sales Agreement, any Terms Agreement or Alternative Terms Agreement. Upon receipt of any written notice contemplated above, the Agent may suspend its activity under this Agreement or any Terms Agreement for such period of time as requested by the Company or as may be determined appropriate by the Agent in light of the proposed action.

7. *Covenants of the Agent.* The Agent covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of the Agent that otherwise would not be required to be filed by the Company thereunder, but for the action of the Agent.

8. *Indemnity and Contribution.* (a) Each of the Company, the General Partner and the Operating Partnership, jointly and severally, agrees to indemnify and hold harmless the Agent, each person, if any, who controls the Agent within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act and each affiliate of the Agent within the meaning of Rule 405 under the Securities Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) caused by any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, the Time of Sale Prospectus or any amendment or supplement thereto, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act, any road show as defined in Rule 433(h) under the Securities Act (a "road show"), or the Prospectus or any amendment or supplement thereto, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission based upon information relating to any Agent furnished to the Company in writing by you expressly for use therein.

(b) The Agent agrees, severally and not jointly, to indemnify and hold harmless the Company, the General Partner, the Operating Partnership, their respective directors and officers, each person, if any, who controls the Company, the General Partner or the Operating Partnership within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act and each affiliate of the Company, the General Partner and the Operating Partnership within the meaning of Rule 405 under the Securities Act to the same extent as the foregoing indemnity from the Company, the General Partner and the Operating Partnership to the Agent set forth in Section 8(a) above, but only with reference to information relating to the Agent furnished to the Company in writing by you expressly for use in the Registration Statement, the Time of Sale Prospectus, any issuer free writing prospectus, road show, or the Prospectus or any amendment or supplement thereto. The Company, General Partner and the Operating Partnership acknowledge that the only information furnished in writing by or on behalf of the Agent for inclusion in the Prospectus shall be the Agent's name on the cover of the Prospectus and in the first paragraph under the caption "Plan of Distribution" in the Prospectus, and the information set forth in the last sentence of the second full paragraph under the caption "Plan of Distribution" in the Prospectus, but only to the extent such information is with respect to the actions of the Agent and not any Alternative Agent.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 8(a) or 8(b) such person (the "**indemnified party**") shall promptly notify the person against whom such indemnity may be sought (the "**indemnifying party**") in writing and the

indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (A) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (B) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them, including different defenses. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Agent, in the case of parties indemnified pursuant to Section 8(a), by the Company, the General Partner and the Operating Partnership, in the case of parties indemnified pursuant to Section 8(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder or under any Terms Agreement by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) To the extent the indemnification provided for in Section 8(a) or 8(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, the General Partner and the Operating Partnership, on the one hand, and the Agent, on the other hand, from the offering of the Shares or (ii) if the allocation provided by clause 8(d)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 8(d)(i) above but also the relative fault of the Company, the General Partner and the Operating Partnership, on the one hand, and of the Agent, on the other hand, in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company, the General Partner and the Operating Partnership, on the one hand, and the Agent, on the other hand, in connection with the applicable offering of the Shares shall be deemed to be in the same respective proportions as the net proceeds from such offering of the Shares (before deducting expenses) received by the Company, the General Partner and the

Operating Partnership bear to the total commissions and/or underwriting discounts received by the Agent pursuant to this Agreement and any Terms Agreement. The relative fault of the Company, the General Partner and the Operating Partnership, on the one hand, and the Agent, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, the General Partner and the Operating Partnership or by the Agent and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, the General Partner, the Operating Partnership and the Agent agree that it would not be just or equitable if contribution pursuant to this Section 8 were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 8(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 8(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, the Agent shall not be required to contribute any amount in excess of the amount by which the total price at which the Shares placed or underwritten by it for sale to the public exceeds the amount of any damages that the Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 8 and the representations, warranties and other statements of the Company, the General Partner and the Operating Partnership contained in this Agreement or in any Terms Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement or of any Terms Agreement, (ii) any investigation made by or on behalf of any Agent, any person controlling any Agent or any affiliate of any Agent or by or on behalf of the Company, its officers or directors, the General Partner, the Operating Partnership or any person controlling the Company, the General Partner and the Operating Partnership and (iii) acceptance of and payment for any of the Shares.

9. *Amendment; Severability.* Except as otherwise provided herein, this Agreement may not be amended or modified unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party whom the condition is meant to benefit. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable as written by a court of competent jurisdiction, then such provision shall be given full force and effect to the fullest possible extent that it is valid, legal and enforceable, and the remainder of the terms and provisions herein shall be construed as if such invalid, illegal or unenforceable term or provision was not contained herein, but only to the extent that giving effect to such provision and the

remainder of the terms and provisions hereof shall be in accordance with the intent of the parties as reflected in this Agreement.

10. *Termination.*

(a) This Agreement may be terminated for any reason, at any time, by either the Company or the Agent, upon prior written notice to the other party hereto. Any termination shall be effective on the date specified in such notice of termination; provided that such termination shall not be effective until the close of business on the date of receipt of such notice by the Agent or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of the Shares, such sale shall settle in accordance with the provisions of Section 4 hereof.

(b) The Agent may terminate a Terms Agreement to which it is a party at any time at or prior to the applicable Settlement Date if (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, the New York Stock Exchange or NASDAQ, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by federal or New York State authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets or any calamity or crisis that, in your judgment, is material and adverse and which, singly or together with any other event specified in this clause (v), makes it, in your judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the Shares on the terms and in the manner contemplated in the Registration Statement, the Time of Sale Prospectus or the Prospectus.

(c) This Agreement shall remain in full force and effect until such time as Shares having an aggregate gross sales price equal to the Maximum Amount shall have been issued and sold, in the aggregate, under this Agreement, any Alternative Sales Agreement, any Terms Agreement and any Alternative Terms Agreement, unless this Agreement is terminated prior thereto pursuant to this Section 10 or otherwise by mutual agreement of the parties.

(d) In the event of any termination under this Section 10, neither party will have any liability to the other party hereto, except that (i) the Agent shall be entitled to any commissions earned in accordance with Section 2(b) hereof, (ii) if at the time of termination (A) the Agent shall own any Shares purchased by it as principal pursuant to a Terms Agreement or (B) the Company has instructed the Agent to offer and sell any Shares but the Settlement Date with respect to such Shares has not occurred, the covenants set forth in Section 6 hereof shall remain in effect until such Shares are resold or so delivered, as the case may be, and (iii) the covenant set forth in Section 6(h) hereof, the provisions of Section 6(j), 8, 13, 15 and 17 hereof shall remain in effect.

11. *Effectiveness.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

12. *Research Analyst Independence.* Each of the Company, the General Partner and the Operating Partnership acknowledges that the Agent's research analysts and research departments are required to be independent from their respective investment banking divisions and are subject to certain regulations and internal policies, and that such Agent's research analysts may hold views and make statements or investment recommendations and/or publish research reports with respect to the Company and/or the offering that differ from the views of their respective investment banking divisions. Each of the Company, the General Partner and the Operating Partnership acknowledges that the Agent is a full service securities firm and as such from time to time, subject to applicable securities laws, may effect transactions for its own account or the account of its customers and hold long or short positions in debt or equity securities of the companies that may be the subject of the transactions contemplated by this Agreement or any Terms Agreement.

13. *Entire Agreement.* (a) This Agreement, together with any Terms Agreement, contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering and sale of the Shares, represents the entire agreement between the Company, the General Partner, the Operating Partnership and the Agent with respect to the preparation of the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the sale of the Shares.

(b) Each of the Company, the General Partner and the Operating Partnership acknowledges that in connection with the offering of the Shares: (A) the Agent has acted at arm's length, are not agents of, and owe no fiduciary duties to, the Company, the General Partner and the Operating Partnership or any other person, (B) the Agent owes the Company, the General Partner and the Operating Partnership only those duties and obligations set forth in this Agreement, any Terms Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (C) the Agent may have interests that differ from those of the Company, the General Partner and the Operating Partnership. Each of the Company, the General Partner and the Operating Partnership waives to the full extent permitted by applicable law any claims it may have against the Agent arising from an alleged breach of fiduciary duty in connection with the offering and sale of the Shares.

14. *Counterparts.* This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

15. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without giving effect to any choice of law or conflicting provision or rule (whether of the State of New York, or of any other jurisdiction) that would cause the laws of any jurisdiction other than the State of New York to be applied.

16. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

17. *Trial by Jury.* Each of the Company (on its behalf and, to the extent permitted by applicable law, on behalf of its stockholders and affiliates), the General Partner (on its behalf and, to the extent permitted by applicable law, on behalf of its sole trustee and affiliates) and the

Operating Partnership (on its behalf and, to the extent permitted by applicable law, on behalf of its limited partners and affiliates) and the Agent hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement, any Terms Agreement or the transactions contemplated hereby.

18. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Agent shall be delivered, mailed or sent to [•], if to the Company, the General Partner or the Operating Partnership shall be delivered, mailed or sent to CyrusOne Inc., 2101 Cedar Springs Road, Suite 900, Dallas, Texas 75201, Attention: General Counsel, with a copy to Cravath, Swaine & Moore LLP, Worldwide Plaza, 825 Eighth Avenue, New York, New York, 10019, Attention: William V. MATTERS TO BE COVERED BY OPINION AND 10B-5 LETTER OF OUTSIDE COUNSEL FOR THE COMPANY

1. Based solely on certificates from the Secretary of State of the State of Delaware, each of CyrusOne TRS Inc., CyrusOne LLC , CyrusOne Foreign Holdings LLC, CyrusOne Government Services LLC, Cervalis Holdings LLC, Cervalis LLC, CyrusOne-NC LLC, CyrusOne-NJ LLC and Cheetah Asia Holdings LLC is a corporation or a limited liability company validly existing and in good standing under the laws of the State of Delaware, with all necessary corporate or limited liability company power and authority to own, lease and operate its properties and conduct its business as described in the Registration Statement and the Prospectus.

2. No authorization, approval or other action by, and no notice to, consent of, order of, or filing with, any United States Federal, New York State or, to the extent required under the General Corporation Law of the State of Delaware, Delaware governmental authority is required to be made or obtained by the Company, the General Partner or the Operating Partnership for the execution and delivery of the Sales Agreements, the consummation of the transactions contemplated by the Sales Agreements and the performance by the Company, the General Partner and the Operating Partnership of their respective obligations under the Sales Agreements, other than (i) those that have been obtained or made, (ii) those that may be required under the Securities Act in connection with the use of a “free writing prospectus,” (iii) those that may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Shares by the Agents or (iv) those as to which the failure to be obtained or made would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

3. The execution and delivery of the Sales Agreements, the consummation of the transactions contemplated by the Sales Agreements and the performance by the Company, the General Partner and the Operating Partnership of their respective obligations under the Sales Agreements, (i) do not result in a breach of or constitute a default under the express terms and conditions of any Specified Agreement and (ii) will not violate any law, rule or regulation of the United States of America, the State of New York or the General Corporation Law of the State of Delaware applicable to the Company, the General Partner or the Operating Partnership, except, in the case of clause (ii), such violations that, individually or in the aggregate, would not have a Material Adverse Effect. Our opinion in clause (i) of the preceding sentence relating to the Specified Agreements does not extend to compliance with any financial ratio or limitation in any contractual restriction expressed as a dollar amount (or an amount expressed in another currency).

4. Based solely on the certificate dated the date hereof, from an officer of the Company, attached as Exhibit A hereto, the Company is not required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.

5. The Registration Statement initially became effective under the Securities Act on May 4, 2016, and, assuming prior payment by the Company of the pay-as-you-go registration fee for the offering of Shares, upon filing of the Prospectus with the Commission, the offering of the Shares as contemplated by the Prospectus became registered under the Securities Act; to our knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending or contemplated under the Securities Act.

6. The Shares have been duly authorized for listing, subject to official notice of issuance, on the NASDAQ Global Select Market.

In addition to furnishing the opinions set forth above, such counsel shall also deliver a letter stating that, subject to certain limitations and qualifications and on the basis of information gained in the course of the performance of the services rendered, the Registration Statement, at the time it was last amended or deemed to be amended, and the Prospectus, as of the date of such letter, appeared or appear on their face to be appropriately responsive in all material respects to the requirements of the Securities Act and the applicable rules and regulations thereunder, except that we do not express any view as to the financial statements and other information of an accounting or financial nature included therein. Furthermore, such counsel shall also advise you that such counsel's work in connection with this matter did not disclose any information that gave such counsel reason to believe that: (i) the Registration Statement (insofar as relevant to the offering contemplated by the Prospectus), at [●](4), 2017 (the "Applicable Date"), contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) the Prospectus, as of its date or as of the date of such letter, included or includes, an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that, in each case, we do not express any view as to the financial statements and other information of an accounting or financial nature included therein.

MATTERS TO BE ADDRESSED IN TAX OPINION OF SPECIAL TAX COUNSEL FOR THE COMPANY

1. Commencing with its taxable year ended on December 31, 2013, CyrusOne has been organized and has operated in conformity with the requirements for qualification and taxation as a real estate investment trust (“**REIT**”) under the Code, and its proposed method of operation will enable it to meet the requirements for qualification and taxation as a REIT under the Code.

2. Although the discussion set forth in the Prospectus under the heading “U.S. Federal Income Tax Considerations” does not purport to discuss all possible U.S. Federal income tax consequences of the ownership and disposition of shares of Common Stock, such discussion, though general in nature, constitutes, in all material respects, a fair and accurate summary under current law of the material U.S. Federal income tax consequences of the ownership and disposition of shares of Common Stock, subject to the qualifications set forth therein. The U.S. Federal income tax consequences of the ownership and disposition of shares of Common Stock by a holder will depend upon that holder’s particular situation, and we express no opinion as to the completeness of the discussion set forth in “U.S. Federal Income Tax Considerations” as applied to any particular holder.

The Company also proposes to issue and sell to the Agent the additional shares of Common Stock specified in the Schedule I hereto (“**Additional Shares**”), if and to the extent that the Agent shall have determined to exercise its right to purchase such Additional Shares.

Subject to the terms and conditions set forth herein and in the Sales Agreement which are incorporated herein by reference, the Company agrees to issue and sell to the Agent and the latter agrees to purchase from the Company the number of the Purchased Shares on the Settlement Date, at the time and place and at the purchase price (“**Purchase Price**”) set forth in the Schedule I hereto.

The Agent may exercise this right in whole or from time to time in part by giving written notice not later than 30 days after the date of this Agreement. Any exercise notice shall specify the number of Additional Shares to be purchased by the Agent and the date on which such Additional Shares are to be purchased (such date and time being herein referred to as the “**Option Settlement Date**”). Each Option Settlement Date must be at least one business day after the written notice is given and may not be earlier than the Settlement Date for the Purchased Shares set forth in Schedule I hereto, nor later than ten business days after the date of such notice.

The Purchased Shares and any Additional Shares shall be delivered to the Agent on the Settlement Date or an Option Settlement Date, as the case may be, with any transfer taxes payable in connection with the transfer of the Shares to the Agent duly paid, against payment of the Purchase Price therefor.

Each of the provisions of the Sales Agreement not specifically related to the solicitation by the Agent, as sales agent of the Company, of offers to purchase Shares is incorporated herein by reference in its entirety, and shall be deemed to be part of this Terms Agreement to the same extent as if such provision had been set forth in full herein, *mutatis mutandis*. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Sales Agreement. Each reference to the Prospectus (including any covenants or representations and warranties relating thereto) shall be deemed to refer to the Prospectus, as amended and supplemented to relate to the Purchased Shares and the Additional Shares, and each of the representations and warranties set forth in the Sales Agreement shall be deemed to have been made at and as of the date of this Terms Agreement, the Settlement Date and any Option Settlement Date.
