

CyrusOne Inc. Announces Early Settlement of Tender Offers and Consent Solicitations for Outstanding 5.000% Senior Notes due 2024 and 5.375% Senior Notes due 2027

December 5, 2019

DALLAS--(BUSINESS WIRE)--Dec. 5, 2019-- CyrusOne Inc. (NASDAQ: CONE) (the "Company") today announced the early settlement by CyrusOne LP and CyrusOne Finance Corp. (the "Issuers") of their previously announced tender offers (each, a "Tender Offer") to purchase for cash any and all of their outstanding 5.000% Senior Notes due 2024 (the "2024 Notes") and 5.375% Senior Notes due 2027 (the "2027 Notes" and, together with the 2024 Notes, the "Notes").

In conjunction with the Tender Offers, the Issuers have also solicited consents (the "Consent Solicitations", and together with the Tender Offers, the "Offers") to amend the applicable indenture governing each series of Notes (each, an "Indenture") to reduce the notice requirements for optional redemption from 30 days to 3 business days, to eliminate substantially all of the restrictive covenants and certain events of default and to eliminate or modify certain other provisions contained in each Indenture (collectively, the "Proposed Amendments").

As of 5:00 p.m., New York City time, on December 4, 2019 (the "Consent Payment Deadline"), approximately \$570,611,000 aggregate principal amount of the outstanding 2024 Notes (representing approximately 81.52% of the outstanding 2024 Notes) had been tendered along with related consents and approximately \$432,033,000 aggregate principal amount of the outstanding 2027 Notes (representing approximately 86.41% of the outstanding 2027 Notes) had been tendered along with related consents. The Company has exercised its option to accept for payment those Notes that were validly tendered at or prior to the Consent Payment Deadline.

The following table summarizes pricing information, calculated as of 2:00 p.m., New York City time, on December 4, 2019, for the Tender Offers and Consent Solicitations:

CUSIP Numbers	Title of Security	Early Redemption Date	Fixed Spread	Reference Security	Reference Yield	Tender Offer Yield	Relevant Bloomberg Page	Total Consideration
23283PAE4 23283PAG9	5.000% Senior Notes due 2024	March 15, 2020	0.50%	1.625% U.S. Treasury Note due March 15, 2020	1.619%	2.119%	PX3	\$1,032.74 per \$1,000 Principal Amount of Notes
23283PAH7 23283PAK0	5.375% Senior Notes due 2027	March 15, 2022	0.50%	2.375% U.S. Treasury Note due March 15, 2022	1.589%	2.089%	PX5	\$1,098.33 per \$1,000 Principal Amount of Notes

The detailed methodology for calculating the applicable Total Consideration (as defined below) for validly tendered Notes is outlined in the Company's Offer to Purchase and Consent Solicitation Statement, dated November 20, 2019 (the "Offer to Purchase").

Holders of a majority of the aggregate principal amount outstanding of each series of Notes were required to consent (the "Requisite Consents") to the respective Proposed Amendments to such series of Notes in order for them to become effective. As of the Consent Payment Deadline, the Company had received the Requisite Consents from holders of each series of Notes. As a result of receiving the Requisite Consents for each series of Notes, the Company entered into supplemental indentures, each dated as of December 5, 2019, to each Indenture effecting the applicable Proposed Amendments which are binding on all remaining holders of each series of Notes.

Holders who validly tendered their Notes of either series and delivered their consents pursuant to the Consent Solicitations on or prior to the Consent Payment Deadline, and who did not validly withdraw their Notes or consent, received the applicable total consideration for such series of Notes determined in the manner described in the Offer to Purchase by reference to the fixed spread over the applicable yield to maturity of the applicable Reference Security listed above (for each series of Notes, the "applicable Total Consideration"), which includes a consent payment equal to \$30.00 per \$1,000 principal amount of tendered of that series of Notes.

Holders who properly tender their Notes of either series after the Consent Payment Deadline and on or prior to the Offer Expiration Time (as defined below), and who do not validly withdraw their Notes, will be eligible to receive an amount equal to the Total Consideration less the \$30.00 consent payment per \$1,000 principal amount of that series of tendered Notes.

The Tender Offers will expire at 11:59 p.m., New York City time, on December 18, 2019, unless extended or earlier terminated as described in the Offer to Purchase (the "Offer Expiration Time").

In addition, all validly tendered and accepted Notes will receive accrued and unpaid interest up to, but not including, the payment date of the Notes.

The Company expressly reserves the right, in its sole discretion, subject to applicable law, to (i) terminate or withdraw either Tender Offer at any time and not accept for purchase any Notes, (ii) waive any or all of the conditions of either Tender Offer, in whole or in part, at any time prior to the Offer Expiration Time and from time to time, (iii) extend the Tender Offer Expiration Time or (iv) otherwise amend either Tender Offer in any respect. If the

Company makes a material change in the terms of either Tender Offer or the information concerning such Tender Offer or waives a material condition of such Tender Offer, the Company will disseminate additional offering materials and extend such Tender Offer to the extent required by law. Until the Offer Expiration Time, no assurance can be given that the Tender Offers will be completed.

The Issuers expect to redeem any and all of the Notes not tendered by issuing a notice of redemption today. Nothing in this press release should be construed as a notice of redemption with respect to the Notes.

The Company has retained Goldman Sachs & Co. LLC to serve as dealer manager for the Offers. The information agent and tender agent for the Offers is Ipreo LLC. For additional information regarding the terms of the Offers, please contact Goldman Sachs & Co. LLC at (800) 828-3182.
